Secretary to the Government of Mysore,
Revenue Department, Bangalore

Sir,

Subject Cement Concreting or asphalting of Bangalore Honnavan Road and Dodpet Road running from Petrol bunk upto Tumkur Toll-gate within Municipal limits of Tiptur Town Municipality
=====

I have the honour to forward, herewith the correspondence ending with the Tiptur Municipal President's letter No H C 37 dated 15-1-46 on the above subject and to state as follows

The President, Tiptur Town Municipality reports that owing to heavy traffic of lorries, carts and motor vehicles on the Bangalore-Honnavar Road leading to the Dodpet Road within the Tiptur Town limits heavy gush of dust is apprehended which would effect the health of the public of the Town Besides it is stated that the roads have become awfully damaged The Municipal Council having discussed the subject at their meeting held on 31-12-45 have resolved that in view of the increased traffic of lorries and carts in the Bangalore Honnavar Road and the resultant heavy gush of dust affecting the health of Townsmen the Bangalore Honnavar Road and the Dodpet Road (from Petrol Bunk to Tumkur Toll-gate) within the town limits) be cement concreted or asphalted and that Government may be requested to take early action in this behalf

In the above circumstances, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council and, the same being communicated early as the matter is one affecting the health of the Public (Townsmen)

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

"CEMENT CONCRETING 13 furlongs of Bangalore Honnavar Road passing through Tiptur Town

---

With reference to your No P W 8906-7 of 27-6-47 on the above subject, informing that there is proposal to deviate the Bangalore Honnavar Road out side the Town and thereby no need to maintain the portion of B H Road within this town limits at Government cost etc I have the honour to state that during the visit of the Minister for P W D and Agriculture to this place on 12-3-47 representation was made on the subject in question and explained that cement concreting of said portion of the road was essential for the reason that the dust spreading by wind and vehicular traffic over food stuff sold in the shops situated on both sides of this road which effects the health of the people of this Town Besides it was further explained that this Municipality has undertaken to do many public works involving heavy cost and to bear the ¼ cost of concreting B H Road - from Municipal funds would be a burdonsome affair

For these reasons the Minister for Public works Dept and Agriculture was pleased to promise to get this length of road cement concreted at Government cost

In view of the above facts this portion of B H Road running within the limits of this Town be kirdly be - recommended for being cement concreted at Government cost as a special case

To

The President,
Town Municipal Council, Tiptur,

Through

The Deputy Commissioner,
Tumkur District, Tumkur

Sir,

Subject - Cement concreting 13 Furlongs of Bangalore - Honnavar Road passing through Tiptur Town

With reference to correspondence ending with your letter No T C 37/45-46 dated 16-7-1947 on the above subject, I am directed to state as there is a proposal to deviate the road in question outside the town, the vehicular and fast moving traffic inside the Tiptur Town will be diverted on to that road and the dust nuisance would get considerably minimised Further, at present, even the programmed work of cement concreting the roads cannot be pushed through due to the inadequate supply of cement Government therefore direct that the proposal of cement concreting the 13 furlongs of the road inside the Tiptur Town limits may be lie over

I have etc,
